

CEO ERA inspects progress of work on transport projects

RISING KASHMIR NEWS

Srinagar, Oct 17: Dr. Raghav Langer, Chief Executive Officer J&K ERA Wednesday undertook on-site inspection of various transport projects being executed by J&K ERA in the Srinagar city under the ongoing Asian Development Bank funded JKUSDIP (Jammu and Kashmir Urban Sector Development Investment Programme).

During inspection of work on Jehangir-Chowk-Rambagh flyover project, Showkat Wani, Director Kashmir, JK ERA informed that under phase-I of the project between comprising of Amar Singh college to Barzulla Bridge has already been completed in May, 2018 and one way traffic on the stretch is plying which has decongested the traffic on the said road stretch underneath to a great extent and presently work on 2nd phase of the project between Rambagh to Allochi-Bagh stretch has been further accelerated and more than 80% physical progress has been achieved.

CEO ERA directed contractor to ensure that phase-II of the project is completed and made motorable by 31st Dec, 2018.
