CEO ERA inspects construction work of various projects

Srinagar, Dec10: Chief Executive Officer, Jammu and Kashmir Economic Reconstruction Agency (J&K ERA) and Jhelum and Tawi Flood Recovery Project (JTFRP), Dr. Syed Abid Rasheed Shah, on Friday visited and inspected construction work on Rs. 34.88 crore State of Art UT level Emergency Operations Centre and Supervisory Control and Data Acquisition Control Building.

Pertinently, J&KERA took up this project on war footing soon after laying of foundation stone for this ambitious venture, being executed under World Bank funded Jhelum Tawi Flood Recovery Project, by Union Minister for Finance and Corporate

Affairs, Nirmala Sitharaman, in presence of Lieutenant Governor, Manoj Sinha.

CEO was accompanied by the senior officers of JKERA and JTFRP during the inspection.

Director J&KERA, Kashmir, Shakti Sagar, informed the CEO that the Emergency Operations Building being constructed over 80 kanal of land at Ompura, Budgam, would comprise of G+1 floors. The building will also house the Supervisory Control and Data Acquisition Centre structure that would be the central control room for 80 dewatering pumping stations in Srinagar city for scientific management of all these stations using IT enabled services.
